

Scott Medical and Healthcare College – Plymouth
Part of the Inspiring Schools Partnership Multi Academy Trust
Teacher of Mathematics

Required from September 2018

This is an exciting time to join our successful MAT comprising Scott Medical and Healthcare College, Stoke Damerel Community College and Montpelier Primary School. We are looking to appoint a Teacher of Mathematics for Key Stages 4 and 5.

We want our students to become responsible, competent, and confident with the ability to build skills relevant to medical, healthcare and jobs in the wider community.

We welcome applications from qualified teachers and NQTs, who can demonstrate the highest quality of teaching in order to raise attainment and are committed to getting the most out of young people.

We can offer you

A professional, hardworking and supportive team of staff with the capability and desire to raise student achievement even further

The opportunity to work across two trust schools

Enthusiastic community of students who are focused on their learning

An outstanding continuing professional development programme

A package of staff benefits

Inspiring Schools Partnership committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. All members of staff must undertake the required employment checks which include the uptake of references both professional and personal and an enhanced (DBS) disclosure.
